

\$25 Gift Card

Dear Member:

Colorectal Cancer is the 3rd most common cancer. Early detection saves lives. Your risk is greater after the age of 50. We are encouraging everyone between the ages of 50-75 to discuss colorectal screening options with their doctor. Because YourCare Health Plan feels this is so important, we are offering our members a \$25 gift card.

Your Care Health Plan would like to reward you. A **Walmart gift card for \$25.00** will be mailed to you when we receive the completed Colorectal Cancer Screening Incentive Form at the bottom of this page. It's our way of saying thank you for taking steps to a healthy future.

To qualify for the gift card you must be between the ages of 50 and 75:

- Select a doctor who accepts your insurance plan if you don't have one look on the YourCare Health Plan website. (www.yourcarehealthplan.com)
- Call the doctor to schedule a visit or speak to him about your options.
- **Just some of the options are: colonoscopy, sigmoidoscopy or samples to detect blood in the stool. Your doctor can discuss all the options with you.**
- **Have the doctor's office sign or stamp in the box below.**

Colorectal Incentive Form
